*The Federal Rate is a 4-year class average of the graduation rate. It only includes first-time freshmen who enter in the fall semester.

**The Graduation Success Rate is a 4-year class average of graduate rate data. GSR differs from the federal rate in that it includes first-time freshmen who enter in the fall or spring semesters and transfers who enter the institution. Excluded from the cohort are student-athletes who transfer out but who would have been eligible for competition if they had returned.
